The Sanlorenzo SL86A 865 is a 26.6-meter motor yacht offered in exceptional condition with minimal engine hours and a single-owner history. Used exclusively for private enjoyment, the yacht is in showroom condition throughout and carries an extensive options list already on board. Twin MAN 2000 HP engines deliver a top speed of 29 knots and a cruising range of 900 nautical miles. The main deck salon connects directly to the aft cockpit via full-height sliding doors, while a dedicated cinema room, formal dining area, and generous flybridge make this one of the most versatile layouts in the 26-metre segment. Eight guests sleep across four cabins including a full-beam owner's suite with dressing area, two VIP cabins, and a guest cabin, with separate crew accommodation for four. Interior finishes reference Minotti, B&B Italia, and Fantini throughout, with White Cremo marble, American Walnut joinery, and Fumè mirror detailing. An opportunity to acquire a ready-to-cruise Sanlorenzo at well below new build lead time and cost.
