Overview

Tuscany, Italy

Welcome aboard the 2023 Merry Fisher 1295 Flybridge, a yacht designed to offer you comfort whether cruising or at anchor, with three cozy cabins!She will captivate you with her contemporary, elegant lines. This signature feature by Jeanneau lends an exclusive style to the flagship of this historic line, equipped with triple Yamaha 300 HP engines.El. systemsThe 2023 Merry Fisher 1295 Flybridge features an electrical setup built for both off-grid cruising and shore-based power. At its core is a 7.5 kVA diesel generator alongside a shorepower connector, feeding power to onboard 12V and 220V outlets.This setup reliably powers high-demand systems, including the 36,000 BTU air conditioning, electric windlass, automatic bilge pumps, water pressure pump, and two electric toilets.The system also controls all navigation and domestic electronics, including the three Garmin GPSMAP 1223 XSV displays, Zipwake electric trim tabs, directional searchlight, Fusion audio amplifier package, dual 144L stainless steel refrigerator drawers, and the full interior and exterior ambient LED lighting package.Deck equipmentThe deck layout features a solid wood bow platform, bow sundeck with XXL cushions, flybridge lounging, and an aft cockpit with a wooden table, shower, and opening side terrace. Boat handling is supported by an electric windlass, 16 kg anchor, chain counter, Zipwake trim tabs, and searchlight. Ambient LED lighting and a full canvas set—including a flybridge bimini and protective covers—complete the setup.Interior fittingsDesigned for comfortable overnight stays, the interior features three cabins with slatted bed bases in the master cabin, two electric toilets, and carpeted living spaces with removable carpets in the hallway and rooms. The galley includes a pantry cabinet with two 144 L stainless steel refrigerator drawers.Integrated ambient LED lighting and anti-insect screens on the portholes complete the interior living setup.
